## **Jasson Walker Jr., President of cFocus Software Incorporated Earns ITIL<sup>®</sup> Foundation Certificate in IT Service Management**

**Largo, MD – (BUSINESS WIRE)** – cFocus Software Incorporated, a federal software consulting and project management services provider, announced today that Jasson Walker Jr., President and CEO of the company, has earned an ITIL<sup>®</sup> Foundation Certificate in IT Service Management.

According to the official ITIL website (<http://www.itil-officialsite.com/home/home.asp>), "ITIL<sup>®</sup> (the IT Infrastructure Library) is the most widely accepted approach to IT service management in the world. ITIL provides a cohesive set of best practice, drawn from the public and private sectors internationally." EXIN, a founding member of the international ITIL<sup>®</sup> certification board, states on their website (<http://www.exin.org>) that "your Foundation Certificate in IT Service Management guarantees your understanding of the basic terms, concepts and relationships between ITIL<sup>®</sup> processes."

"I am proud to be a certified practitioner of ITIL," said Mr. Walker. "ITIL will be a big part of the services the company will provide and the processes that drive the company internally," he said.
