## **Jasson Walker Jr., President of cFocus Software Incorporated Becomes a Certified Project Management Professional**

**Largo, MD – (BUSINESS WIRE)** – cFocus Software Incorporated, a federal software consulting and project management services provider, announced today that Jasson Walker Jr., President and CEO of the company, has become a certified Project Management Professional (PMP®).

According to the Project Management Professional Credential Handbook ([http://www.pmi.org/PDF/pdc\\_pmphandbook.pdf](http://www.pmi.org/PDF/pdc_pmphandbook.pdf)), “the Project Management Professional (PMP®) is one of the world’s most recognized professional credentials—and it is not an easy designation to achieve... Achievement of the PMP credential, serves as the basis from which professionals can competently practice as a project manager, leading and directing project tasks. By obtaining this credential, you demonstrate a commitment to the profession of project management.”

“I am proud to have all Project Management Professionals as my peers,” said Mr. Walker. “I look forward to engaging my peers and developing strong personal and professional connections with them,” he said.
